THE ASHFORD

A DECORATIVE COLUMN SETS OFF THE CHARACTERISTIC ROOFLINE AND COVERED PORTICO OF THE ASHFORD.

In addition to a large area that incorporates the great room, dining room and kitchen, The Ashford features a private den nestled behind French doors at the front of the home. The open areas feature extensive decorative plant shelving and a slider that reveals a wonderful space for outdoor living in the optional screened lanai beyond. The kitchen, a central part of the home, offers easy access to the utility room and two-car garage. In addition to the ample room provided in the common areas of this three-bedroom, two-bath split floor plan, there is a sizable master suite, complete with his-and-her walk-in closets.
