THE BELVEDERE

THE BELVEDERE'S COVERED PORTICO opens to a welcoming tiled entryway. The heart of the home is the eat-in kitchen, situated to the right of the entry. Enjoy a full view of the spacious great room over a comfortable breakfast bar. The tech center is centrally located for convenience. Plant shelves throughout the home add character and provide space for decorative accents. Sliders in the living area reveal an optional screened lanai that is perfect for outdoor living and entertaining. The three-bedroom, two-bath split floor plan features a master suite with his-and-her closets and a private bath. Two linen closets, a kitchen pantry and two-car garage provide additional storage.
